No minimum order. Tiny parts are very important. We bill you only for the parts you order, plus shipping costs. Notice minimum shipping.

No minimum quantity. Exceptions include ramrods, which tend to break in shipments of less than ten. We can ship one or two ramrods with a barrel, a fullstock or a long gun. If you order one or two ramrods, we might include a sturdy piece of lumber, at \$1.00 additional cost.

No handling charge. We do not add a \$2.00 fee for picking small orders. Foreign shipments may incur a small customs document fee.

No surcharge on bank cards. We invite VISA, MasterCard, Discover, and American Express. Include card number, expire date and CCID.

Same day refund! We issue refunds promptly. We credit your bank card account, or we enclose our refund check, depending on how you sent your funds. Search your parcel until you find our paperwork.

We invite foreign orders. Fax your order to 763-633-2550. Charge your bank card. Foreign orders are shipped via USPS Priority Air Mail. Guns must be sent by Air Mail or FedEx, depending on the value. Surface Mail is no longer available. Freight charges, brokerage fees, and customs duties are your expense. We use United Nations Harmonized Code Numbers, in lieu of written descriptions, when possible, to reduce Customs entry delays. Foreign orders must include your telephone number, country and city codes.

Export shipment cost. To view our price quote of shipping costs, create an On-Line Shopping Cart order on our web site. Enter your address and country at Check-Out, to display shipping costs. You may often add a few items, with no added shipping cost. Test this using our On-Line Shopping Cart. We ship to a great many countries, every day!

Order by mail, by fax. Complete our order form, enclose payment, and mail it today, or fax to 763-633-2550 any time, 24 hours. Payment by VISA, MasterCard, Discover, or American Express is convenient when ordering by fax, especially foreign orders.

If you cut it, you keep it! Carefully examine our stocks, castings, guns and parts for any hidden flaw. After you cut it, the sale is final. Sorry.
