Contact us directly.

Order by telephone. When you order by telephone, you will talk to our knowledgeable staff. We can take your order, check stock on hand, quote current prices, answer technical questions, confirm that your choice of parts will work well together, or suggest alternate choices or substitutions.
Payment. Use VISA, MasterCard, American Express, or Discover. Bank cards are very convenient for web, telephone or foreign orders. We invite UPS / COD orders to U.S. addresses. Your UPS driver will collect secured funds, but cannot accept cash. Add $15.00 UPS/COD fee. We accept checks from frequent buyers, after approved history.
We accept cash, personal checks, money orders, cashier’s, traveler’s checks, or foreign checks in U.S. dollars, drawn on any U.S. bank.
Shipping costs. You pay shipping. Send extra funds to cover shipping. We promptly refund any excess by check, enclosed with your invoice.
We ship by USPS Priority Mail, FedEx or UPS ground, depending on parcel size, value, and your On-Line Order comments. Small items are easily sent by Priority Mail. We offer FedEx Next Day Air, or FedEx 2-Day Air, at extra cost. See our On-Line Shopping Cart or printed order form. Minimum shipping cost is $5.35, at time of printing.
Need large quantities? We may quote lower prices on larger case lots, when ordered well in advance. Request our quantity price quote.
Merchandise not what you expected? Happy customers are repeat buyers. When you order “sight unseen”, you have every right to return any disappointing item. You pay return shipping, your only risk. Find our Easy Return Form in every parcel, or enclose a list of returned items. Specify exchange or refund. A copy of your invoice is appreciated. No RMA or return authorization required. We do not offer UPS Call Tags.
Please make returns within 30 days. Consignment, one-of-a-kind, or Newsletter item sales are final after 10 day inspection, if no response.
Our error? We credit postage. If we bill correctly, but ship a wrong part, we will credit least costly return shipping to your account. If we and ship a wrong part, your order was unclear to us, which is your risk, you pay return postage. To avoid transcription errors, order On-Line.

If you cut it, you keep it! Carefully examine our stocks, castings, guns and parts for any hidden flaw. After you cut it, the sale is final. Sorry.
We invite trades and we purchase guns and collections of guns... We seek well made muzzle loading guns, name brand black powder guns, kits, parts, pre-1898 black powder cartridge firearms, and modern replica guns. Your gun is valuable, in trade!
