Arming the West#Book-ATW A Fresh New Look at the Guns that were Actually Carried on the Frontier by Herbert Houze

Hollywood has taught us that the Wild West was armed with the newest and most expensive Colts and Winchesters - but his wasn't necessarily the case. Newly discovered evidence from the shipping records of the largest supplier of firearms to the frontier tells us a different story. Gun collectors and historians will be surprised by this fascinating information, which totally reinvents what we should think of as a "Western Gun". Soft cover, 7 x 10" volume of 190 pages.
