The Muzzle-Loading Cap Lock Rifle ...................... #Book-MLCLR
by Ned Roberts
Back in print, The Muzzleloading Caplock Rifle was recommended by the NRA as the standard work on muzzle-loading cap lock rifles. This book details every feature of these classic firearms from accessories and ammunition to noted makers and old-time tools. Readers will be captivated by the author’s descriptive text, original photographs and detailed illustrations. Hundreds of photographs show muzzle-loading cap lock rifles, ammunition, cap magazines, powder flasks, bullet molds and more. Traditional shooting matches are described and recreated in fascinating detail. Firearm enthusiasts will revel in the stories and information presented in this superb book. 8-3/4” x 11-1/4” hardbound format, 308 pages, black & white photographs.
