Quill and Beadwork of the Western Sioux...............#Book-QBWS
by Carrie Lyford
For centuries the native women had been dyeing porcupine quills and sewing them on to garments and bags. The women gave it up gradually only because trade beads became plentiful and were much easier to use. This book is both a history and craft manual for people wishing to recreate objects decorated in an authentic and traditional manner. A fine war shirt is shown in full color on the cover. Soft bound, with 116 pages, 46 illustrations.
