First Model Brown Bess Bayonet & Scabbard..... **#Bayonet-BB**

This socket bayonet is made to fit your 1st Model Brown Bess musket. The socket is .93" inside diameter, to slide over the muzzle of your Second Model Brown Bess, or your First Model Brown Bess with Colerain or Getz barrel. Overall length is 21-1/2" with an 18" triangular blade. Sheathed in a black leather scabbard, with re-enforced leather tip, and cotton webbing shoulder strap. This style of scabbard was used during our Revolutionary War, by the American militia. Specify what musket you own.

#Bayonet-BB Brown Bess bayonet, with scabbard **only \$59.99**

Charleville Musket Bayonet & Scabbard **#Bayonet-Char**

The classic French socket bayonet is made to fit a French Charleville musket. The bayonet is 20" overall length, with a 17" triangular blade. Sheathed in a hand crafted black leather scabbard, with polished brass throat and tip, this style of bayonet was used by the French, during the French & Indian War, and by the American and French armies during the American Revolution. The socket is slightly tapered, from .86" to .84" to fit over your muzzle.

#Bayonet-Char Charleville bayonet, with scabbard **only \$79.99**

Baker Rifle Bayonet & Scabbard..... **#Bayonet-Baker**

The forged blade measures 23-1/2" long, by 1-1/8" wide, single edged with a 4" long false edge at the tip. The cast brass handle is 4-3/4" long with a cast guard. The handle has a "T" shaped slot. The handle has a spring loaded push button release. The 24" long scabbard is made of thick black leather, with brass throat and tip.

#Bayonet-Baker Baker Rifle bayonet, with scabbard **only \$75.99**

Enfield Musket Bayonet & Scabbard **#Bayonet-Enfield**

This Civil War era bayonet, is made to fit the British Enfield .577 Rifled Musket. The imported steel blade is 21" overall length, with a 18" triangular blade, and socket with locking ring. Polished bright, this replica bayonet is finished like the original.

See *American Military Belts & Equipment*, sold separately, for photos, dimensions, and details on a leather belt and bayonet frog, which you can make. The black leather scabbard is trimmed in brass.

#Bayonet-Enfield Enfield bayonet & scabbard **only \$79.99**

Springfield Musket Bayonet & Scabbard **#Bayonet-Springfield**

This Civil War bayonet is made to fit any popular .58 U. S. Musket, including the 1855, 1861, 1863, 1864 Springfield muskets and replicas, 1862 Richmond musket, and original 1865, 1866, 1868, and 1870 trapdoor Springfield rifles.

The imported steel blade is 21" overall, with a 17-1/2" triangular blade, and socket with locking ring. Polished bright, this replica bayonet is finished exactly like the original. The black leather scabbard is trimmed in brass.

See *American Military Belts & Equipment*, sold separately, for photos, dimensions, and details on a correct leather belt and bayonet frog, which you can make.

#Bayonet-Springfield U. S. bayonet & scabbard **only \$69.99**

1863 Remington Zouave Rifle Bayonet **#Bayonet-Zouave**

This bayonet has a straight blade over 21" length, brass socketed handle, and a grip with integral finger guard. Used as a sword or bayonet, it is carried in a black leather scabbard, with brass mounts to engage a belt frog. See *American Military Belts and Equipment* for photos and details on the belt and frog, which you can make.
