Bayonets & Scabbards

First Model Brown Bess Bayonet & Scabbard ........... #Bayonet-BB
This socket bayonet is made to fit your 1st Model Brown Bess musket. The socket is .93” inside diameter, to slide over the muzzle of your Second Model Brown Bess, or your First Model Brown Bess with Colerain or Getz barrel. Overall length is 21-1/2” with an 18” triangular blade. Sheathed in a black leather scabbard, with re-enforced leather tip, and cotton webbing shoulder strap. This style of scabbard was used during our Revolutionary War, by the American militia. Specify what musket you own.
#Bayonet-BB Brown Bess bayonet, with scabbard only $59.99

Charleville Musket Bayonet & Scabbard ............. #Bayonet-Char
The classic French socket bayonet is made to fit a French Charleville musket. The bayonet is 20” overall length, with a 17” triangular blade. Sheathed in a hand crafted black leather scabbard, with polished brass throat and tip, this style of bayonet was used by the French, during the French & Indian War, and by the American and French armies during the American Revolution. The socket is slightly tapered, from .86” to .94” to fit over your muzzle.
#Bayonet-Char Charleville bayonet, with scabbard only $79.99

Baker Rifle Bayonet & Scabbard ................. #Bayonet-Baker
The forged blade measures 23-1/2” long, by 1-1/8” wide, single edged with a 4” long false edge at the tip. The cast brass handle is 4-3/4” long with a cast guard. The handle has a “T” shaped slot. The handle has a spring loaded push button release. The 24” long scabbard is made of thick black leather, with brass throat and tip.
