U.S. Cavalry Saber  
with markings  
only \$120.00

**1860 Light Cavalry Saber, marked AMES.....#Sword-1860-Ames**

This very nice reproduction 1860 Light Cavalry Saber features a 34" blade. The hilt and guard are made of polished brass. The wood handle is expertly covered with black leather and wire wrapped, exactly like an original in our collection. The steel scabbard features a trail drag and rings for attaching to a sword sling. This reproduction bears the Ames markings, exactly as original.

The blade is marked U.S. over ADK over 1862. The opposite side is marked *Ames Mfg. Co., over Chicopee, over Mass.*

Well made, well finished, correctly marked, we recommend this nice saber!

**Military Holsters, right or left, for Army and Navy revolvers:**

Our Military holster has a large top flap to completely cover your Colt or Remington .44 Army or .36 Navy revolver. Stitched along the cut edge, with belt loop for any belt up to 3" width. A brass stud holds the closure strap. Select right or left hand side. We use the conventional "butt to rear" side designation. Order a right holster if you wish to wear it butt forward on your left side, in military fashion.

Our brown leather has been hand rubbed with natural oil, and looks nice. Maintain it with Neatsfoot oil or neutral leather polish.

**#Holster-MO-R** holster, military flap, brown, right only \$18.99

**#Holster-MO-L** holster, military flap, brown, left only \$18.99

Our black leather is vat dyed. The black color is inside the leather, not just the surface. Occasionally wax it with black shoe polish.
