Rawle's Patent 1777 Cartridge Pouch........... #Bag-Rawl-1777
This British cartridge pouch design was patented by William Rawle. It measures 8-3/4" wide, 6-1/2" tall, and 3" deep. The cartridge pouch is made from heavy black leather, with a brass stud to secure the flap down. An additional pocket is located beneath the main flap. The bottom has two iron buckles mounted to secure a shoulder strap (sold separately). We recommend our 2" wide shoulder strap to hang this well made cartridge box. The double sided wooden bock holds 36 cartridges, 18 on each side, in 3/4" diameter holes.
