**Rifle Slings**

- **Fowler or Jaeger Rifle Sling**
  - These adjustable slings are made for a Fowling gun or Jaeger rifle with a 1" swivel on the forend and a button stud on the butt end. Adjustible from 28 to 36". Elk tanned cowhide leather or loomed Jute fiber with cowhide leather ends, 2" at widest part.
  - Only $34.00

- **Universal Rifle Sling for use without swivels**
  - This sling is perfect for the rifle or fowler with no sling swivels, simply slide the leather tabs over each end. Made of 2" wide woven jute with thick leather ends. Measures 51" long.
  - Only $34.00

- **Fowler Rifle Sling for use with swivels**
  - The fine slings will fit most half-stock rifles, longrifles, and fowlers. Adjusts with a cast brass buckle, maximum length 41", minimum length 37". Made for two sling swivels. Our sling swivels are a good choice for this sling.
  - Only $34.00

- **Suede Rifle Slings:**
  - Our suede leather sling, adjusts from 30" to 46", between 1" swivels. Instructions included. For use on rifles with sling swivels. For rifles without swivels, our suede lace sling includes a suede sling base.
  - Only $6.99

- **French style Swivel, Barrel Band, and Triggerguard Lug:**
  - Made for a 1783 Charleville, 1795 Springfield or similar musket, you can drill and file a rectangular slot in the front end of your triggerguard, insert this lug, and pin it to the wood.
  - The barrel band is malleable steel. It can be formed, reduced, or enlarged for a French military musket, fowler or fusil. Split the loop to install it. Use these on a French style fusil, or an American Volunteer Militia gun, with a tapered round barrel.
  - Only $29.99

- **Swivel Band**
  - For Swivel Band for rifle
  - Only $29.99

- **Swivel Lug**
  - For Lug for 'guard
  - Only $12.99

- **Swivel Loop**
  - For Loop, wax cast steel
  - Only $12.99
