

# Ox-Yoke® Originals & Eastern Maine Shooting Supplies

*precision shooting patches*

**Shooting Patches** are precision made from special tightly woven cotton, to insure uniformity. Constant thickness, weave, diameter, weight, and thread count help eliminate these variables from your shooting, for repeatable accuracy.

Shooting Patches are packed in bags of 100.

**Wonder Seals** help seal percussion revolver chambers to prevent "cross" firing. Sized to fit .36 or .44 caliber percussion revolvers, place them in the chamber, over the powder, or over the ball, without the mess of grease or lubricants. Wonder Seals provide a sure seal, while they lubricate and clean your barrel. Package of 100 seals, in your choice of .36 Navy or .44 Army.  
**#Ox-Rev-36-Seal** .36 cal. revolver wonder seals **only \$8.99**  
**#Ox-Rev-44-Seal** .44 cal. revolver wonder seals **only \$8.99**
