8/8" knapped flint........... #Flint-Eng-8
Large, this flint measures 1 x 1-1/8" for small muskets and fusils. Typically used in Tryon, LOTT, 1777 Charleville musket, Wm. Chance, Navy Arms 1763 Charleville, North Star's sitting fox flint lock, and similar North-west trade gun and fowling gun flint locks.
#Flint-Eng-8 1" flint only $1.85

9/8" knapped flint........... #Flint-Eng-9
Military muskets often work best with this flint. Try this size in your 1763 Grice, Stowe, or Tower marked Brown Bess. Many original military locks such as the 1816 U.S. Springfield and later variations work best with this size. Pull your lock to half cock. Check to see if it will clear the 1-1/8" width or 1-1/4" length?
#Flint-Eng-9 1-1/8" flint only $1.85

10/8" knapped flint........... #Flint-Eng-10
Oversized flint, 1-1/4 x 1-1/2" for big military muskets, wall guns, African trade guns, early flint guns with oversize locks.
#Flint-Eng-10 1-1/4" flint only $1.89
